

WEDNESDAY WORKSHOPS

3:00-5:00 PM

CCI-207

February 12:

Blackboard Basics: how do I do that again?

February 26:

Course site pedagogy for online, hybrid, and F2F deployment: what's different and what's the same?

March 12:

Communication issues: what does "regular, effective student contact" mean?

March 26:

The Blackboard Grade Center: insanity for the mathematically challenged

April 9:

Incorporating lecture-capture recordings with Camtasia Relay: becoming the star of your own show

April 23:

Compliance: doing what's right and doing what's required
