Charrette Defined

- Origin of the Term "Charrette"
 - The French word, means "cart"
- Also used to describe the final, intense work efforts to finish a design or a project.
 - Rigorously timed
 - Each session has a specific area to cover
 - Participants are assigned sections or tasks
- Strategic Planning Committee synthesize data

Your Job

- Each Table Demographics
- Need a Recorder & a Reporter
- Recorder – take notes on laptop, save to flash drive – please save your file as:
