AR 7220 -Administrative Recruitment and Hiring Procedures

Search Procedures

If a vacancy occurs unexpectedly and the normal recruitment time lines will cause a hardship, the Chancellor or College President or Vice Chancellor-North Centers may request recruitment for an interim administrator.

Recruitment for the Student Success/EOP&S Director position will close 10/6/11 at 4:30pm after a 45 day posting.

Human Resources is anticipating that there will be a sizable pool of candidates and it will take approximately one week for the candidate files to be sent to the Reedley Campus. That would place us on or around the week of 10/13/11 as a first opportunity to view applicant files.

Applicant Screening, Selection and Interview Process

The process for selecting the Screening Committee and the membership of the Screening Committee shall be developed and approved by the College President for college positions or developed and approved by the Vice Chancellor-North Centers for North Centers positions. Each administrative Screening Committee shall have representatives from academic and classified employee groups and reasonable representation from protected groups.
