	Tuesuay, January 29, 2019
Introductions	Cheryl Sullivan, Christine Miktarian, Lori Bennett, Lataria Hall, Wendell Stephenson, Karla Kirk, Stephanie Curry, Liz Romero, Jason Mendez, Susi Nitzel, Chuck Rodriguez, Zackery Estes, Claudette Matz
Agenda Review	During the discussion of the draft board agenda for February 5, 2019, Vice Chancellor Miktarian stated her bond update report will include information on West Fresno, districtwic projects and the parking study results. Vice Chancellor Sullivan reviewed the items on the agenda including the audit and budget updates, staffing recommendations and FCC's reque to use designated reserve funds. There was discussion regarding the budget calendar and t budget formula and allocations for next year. She stated the budget development is in the early stages and the current projected COLA is 3.46%. Ms. Miktarian will add two property negotiations items to closed session and the employee negotiation item will be removed from the agenda.
Constituents	Associated Student Government
	Chuck Rodriguez, FCC Student Trustees, stated with the start of the new semester they are focusing on Welcome Week activities.
	Academic Senates
	Wendell Stephenson, FCC Academic Senate President, reported they reviewed the District Technology Plan at the last meeting and he will be providing feedback to Ms. Ludford. He reported the committees are doing a lot of good work on AB 705 and other committee work that has a major impact on faculty and curriculum.
	Karla Kirk, FCC Academic Senate President-elect, reported in addition to the AB 705 work, they are focusing on Guided Pathways implementation and had a team visit Skyline Community College. The administrative team at Skyline was very giving of their time and information which made for a productive visit on Guided Pathways.
	Stephanie Curry, RC Academic Senate President, reported they have reviewed the Technology Plan and will send their complete feedback following their next meeting. She announced nominees for upcoming awards and the work on the early alert pilot was release successfully through Starfish. They approved BP and AR 4240.
	Liz Romero, Academic Senate President CCC, reported they have been working on the preliminary stages of Guided Pathways and staffing. The CCC Academic Senate is proposing to have the ECPC put AR 4235 back on their agenda. They also requested BP/AR 5040 be added to the Communications Council agenda with minor changes being suggested. She stated per AR and BP the district is following old FERPA rules and list student majors canno be listed on the roster. This will be on the agenda for February 26 th .
	<u>Classified Senates</u>
	Jason Mendez, CCC Classified Senate President, stated they are focusing on improving and strengthening communication. They will participate in a workshop on the fundamentals of body language training relative to dealing with stress in the workplace. He announced Kimberly Duong and Carys Johnson have been selected to attend the Classified Leadership
