State Center Community College District

**Strategic Conversation #2**  
***"Student Success and Learning"***

A Strategic Conversation is an informal, but structured discussion on a strategic policy issue that results in a clearer understanding of that issue.

It helps the Board of Trustees thoughtfully examine why it is making the policy decisions it makes, while connecting and involving all internal stakeholders affected by those decisions in a positive and meaningful way.

**Tuesday, March 5, 2013**

Registration/Social Hour with Refreshments- 1 to 2pm
