Writing Teams for the District Technology Plan

Writing teams will be developed for each of the three areas of emphasis; Instructional, Student Services, and Administrative. The writing team makeup will be made up of the constituent groups and appointed by said constituent groups. Writing teams establish their meeting norms and leadership of their respective team. The writing teams will present their portion of the plan to the steering committee for final consolidation and presentation to the campus constituent groups for final comment before presenting the plan to the Chancellors Cabinet.
