Dear President Cantu:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 9-11, 2013, considered the Follow-Up Report submitted by Fresno City College and the report of the evaluation team which visited November 9, 2012. The purpose of this review was to assure that the recommendations made by the evaluation team were addressed by the institution.

The Commission acted to **remove Warning, reaffirm accreditation**, and require Fresno City College to submit a **Follow-Up Report**.¹

The Follow-Up Report should be submitted by **October 15, 2013** and demonstrate that the institution has addressed the recommendation noted below, fully resolved the deficiencies, and now meets Accreditation Standards.

District Recommendation 1

In order for the colleges and District to fully meet the intent of the previous recommendation, the State Center Community College District must engage in continuous, deliberative, and timely dialog with all District stakeholders to coordinate long term planning and examine the impact on all the stakeholders of the planned increase in the number of colleges and the future roles of the centers. This includes creating, developing, and aligning district and college plans and planning processes in the following areas: strategic planning, facilities planning, technology planning, organizational reporting relationships of centers, locations of signature programs, funding allocation, and human resources and research capacity. (Standards: I.B.1, I.B.2, I.B.3, I.B.4, I.B.6, I.B.7, III.A.2, III.A.6, III.B.1.a, III.B.2.b, III.C.2, III.D.1, IV.A.5, IV.B.3.a, IV.B.3.c)

The recommendation contained in the External Evaluation Team Report represents the observations of the evaluation team at the time of the visit. The Commission reminds you that while an institution may concur or disagree with any part of the report, the College is expected to use the Evaluation Team Report to improve educational programs and services and to resolve issues identified by the Commission.

I have previously sent you a copy of the Evaluation Team Report. Additional copies may now be duplicated. The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include the campus leadership, the Chancellor, and the Board of Trustees. The Follow-Up Report will become part of the accreditation history of the College and should be used in preparing for the next comprehensive evaluation.

The Commission also requires that the Follow-Up Report, the Follow-Up Visit Report, and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no farther than one click from the institution's home page.* If you would like an electronic copy of the Follow-Up Visit Report, please contact Commission staff.

Finally, ACCJC staff is available to assist the College with consultation and advice on the recommendation identified above.

On behalf of the Commission, I wish to express my continuing interest in the institution's educational quality and students' success. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, and quality.

Sincerely,

Barbara A. Beno, Ph.D.
President
